# BERNARD™

© 2006 - BRB / SCREEN 21 / RG / EBS / M6

MIPCOM Jr. winner of the best animated property follows the comical adventures of a hairless CGI polar bear who leaves his frigid homeland behind and travels the world trying to better understand how the other half lives. Bernard's travels take him to the four corners of the globe and with every adventure, or should I say, mis-adventure, he leaves the audience howling with laughter. Colourful characters and superb CG animation for family audiences provide a winning combination!

- 52 x 3' segments currently in production.
- Shorts cover a wide range of subjects including, extreme sports, travel, science, and more.
- Great physical comedy. No dialogue. Just one laugh after another.
