MICA

Mica is a happy, inquisitive, outgoing six-year-old girl. Mica believes life is full of challenges, not problems, so she tackles every situation with buckets of enthusiasm and imagination, always counting on Daniel and Julia, her two best friends.

There are always adventures to embark on—at school, in the house or in the garden. It's just a matter of looking for them!

Oh! In addition to that, the three children keep a tiny big secret: Lio, the adorable—and weird—book bug who lives hidden in Mica's den, the van in her garden.
